## ABAT DOMENECH 2002

The outstanding, dense ruby/purple-tinged 2002 Abat Domenech is a 50-50 blend of Grenache and Cabernet Sauvignon grown in slate and gravel soils. A floral-scented bouquet reveals notions of crushed rocks, acacia flowers, black raspberries, and currants. This medium-bodied, full-flavored 2002 boasts sweet fruit, good acidity, and terrific definition. Enjoy this beauty over the next 7-8 years.
