

ARTISANAL WINES FROM SPAIN & PORTUGAL

Vizcarra Merlot

Juan Carlos Vizcarra is a man of intensity, passion, and incredible ambition. Though his family has grown grapes in northern DO Ribera del Duero for more than four generations, he was the first to make estate-bottled wine from this fruit starting in 1991. The story goes that when he was a boy, he noticed that the historic estates of Vega Sicilia and Pesquera would come to his family in bad vintages to buy fruit. Realizing that his family must have truly special vineyards of the highest quality, Juan Carlos took it upon himself to begin producing wines to express this blessed terroir and heritage.
